

# 3D BIM / 2D Workflows

## Cadline workflow map

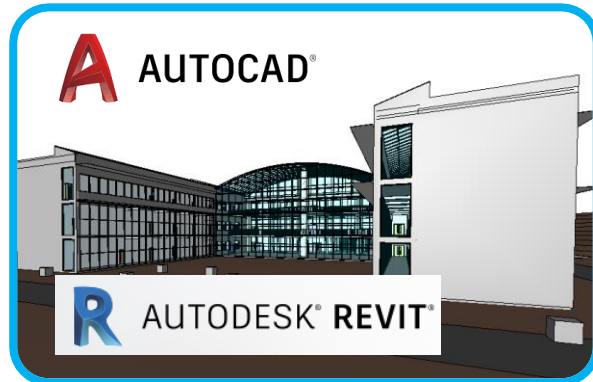

- Various workflows can be adopted in either 2D or 3D
- Start or finish at any point
- Integrate with any 3D package
- Integrate with all thermal modellers
- Collaborate with 3<sup>rd</sup> party organisations

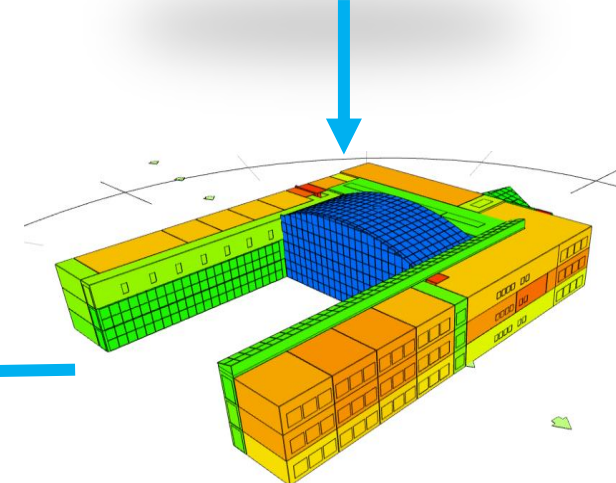

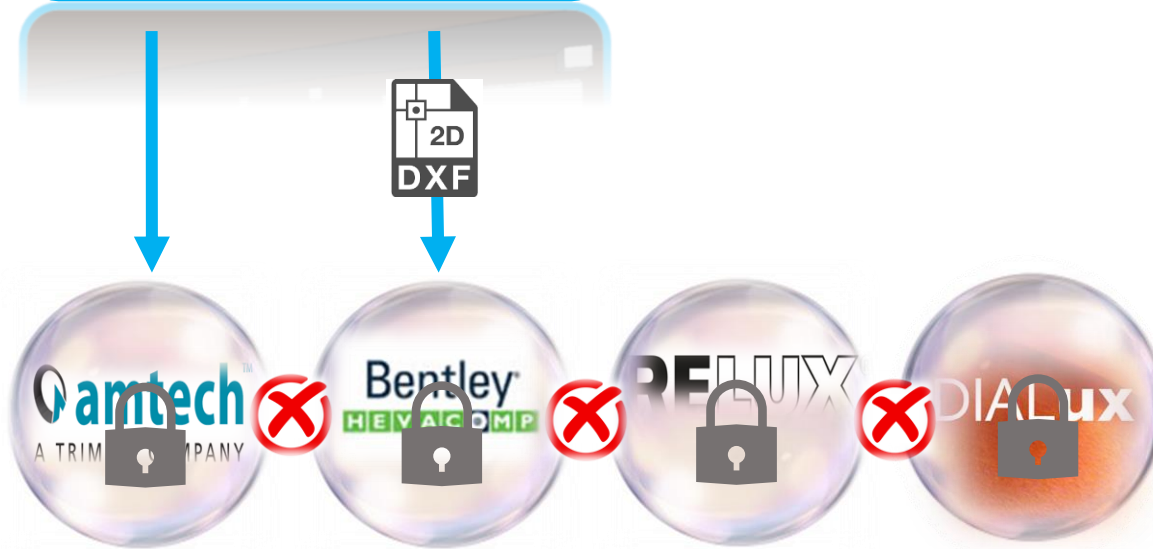

# Typical Non BIM Workflow

2D / 3D CAD

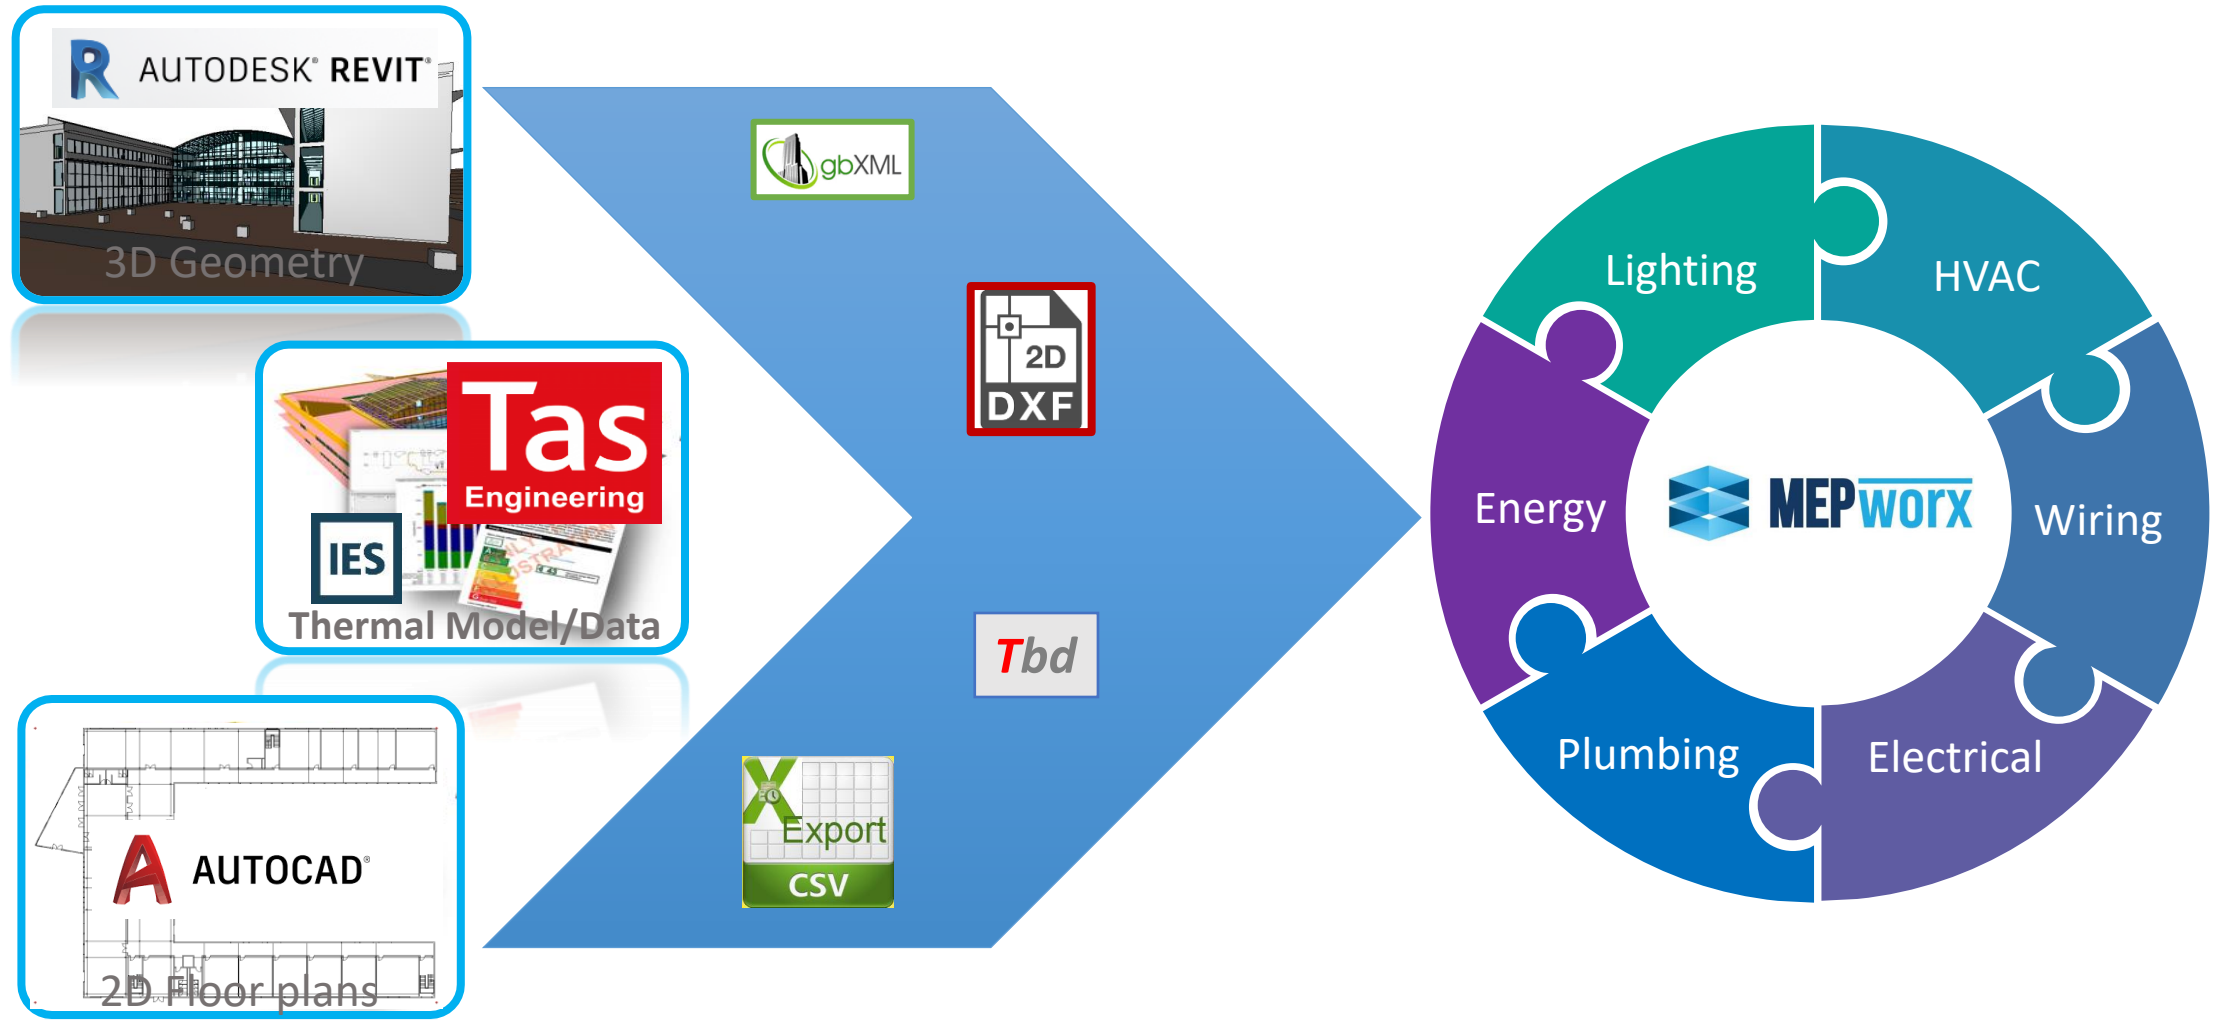

Manual Recreation of Model

Dynamic Thermal Simulation

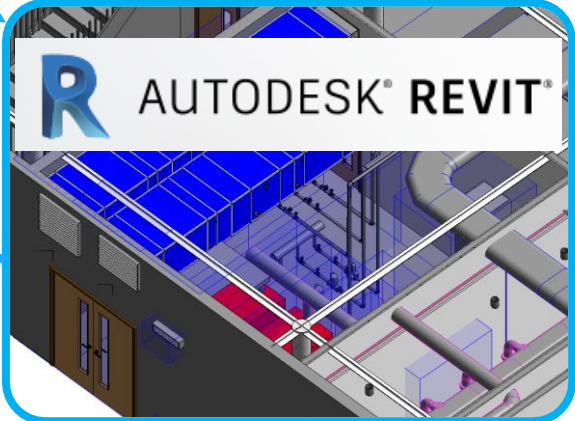

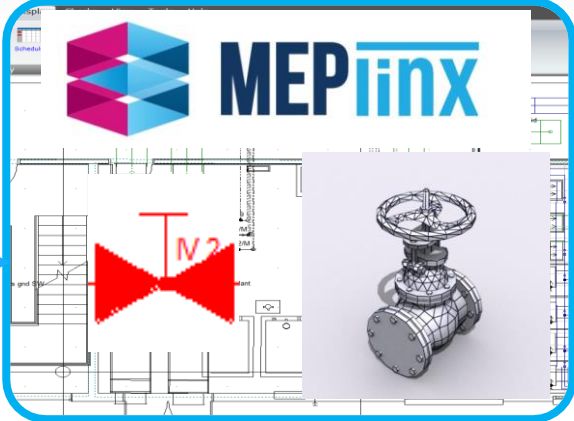

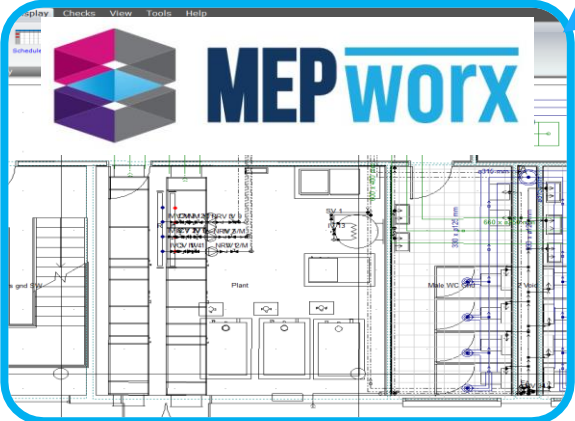

# MEPworx Stage 1 Workflow

# MEPworx Stage 2 Workflow

Plant room and Riser  
Space Planning  
Co-ordination Software

# MEPworx Remote Workflow
